## **COVID- 19 Reminders and Guidelines**

### **School Arrival**

Any student with a Fever 100.4 and/or symptoms below will not be allowed in the building. Parent will have to take the student home.

### **During the School Day**

- Any student with 2 or more symptoms from Column A or any 1 symptom from Column B will be sent home immediately
- Students must be picked up within 1 HOUR, please make accommodations.

#### **Column A (2)**

Congestion Or Runny nose  
Chills  
Rigors (shivers)  
Myalgia (muscle aches)  
Headache  
Sore throat  
Nausea or Vomiting  
Diarrhea  
Fatigue

#### **Column B (1)**

Fever  
Shortness of Breath  
Difficulty Breathing  
Loss of Smell  
Loss of Taste

**Any student who is sent home** by the school nurse will **NOT** be able to return without a 10 day quarantine OR a negative COVID test. We are no longer accepting doctors' notes with alternate diagnoses.

### **Examples of Returning to School (after being sent home)**

- Student that has a Covid 19 test **\*\*RAPID IS NOT ACCEPTED**, it must be the PCR test) will need to submit the test results and a doctors note to return.
- If a parent decided not to test, the student **MUST stay home for 10 DAYS** .
- Will return after the 10<sup>th</sup> day if he/she is fever free for a minimum of 24 hours and asymptomatic.

### **Quarantining (when to)**

- If your child has had a close contact with a person with Covid-19. Someone in your household is showing Covid-10 symptoms, has been diagnosed with Covid-19, or is being tested for Covid-19. Your child has traveled outside the country or state .
